Three German workers each were still employed in the hospital and at Damm airfield. A column of six trucks, each occupied by six men wearing red-bordered black epaulets with artillery insignia and towing a 85-mm AAA gun, drove along Strasse des Friedens, formerly Bahnhof Strasse, Jueterbog, toward Altes Lager on 26 December.

3. From 16 to 17 December, Damm Fliegerhorst, south of the town, quartered about 1,500 troops, 1,000 to 1,100 of whom wore red-bordered black epaulets with tank insignia or artillery insignia, and 400 to 500 air force soldiers. On 17 December, 36 men equipped with three 82-mm mortars marched from the landing field toward a woods 500 meters southwest of the field. On 17 December, 10 soldiers marched from the concrete target ranges 500 meters south of Rohrbeck to the barracks installation via the landing field towing a 76-mm gun.

4. The Bleidorn and Turm Kaserne were occupied to capacity on 16 and 17 December.<sup>5</sup>

has repeatedly been reported from this location. The report contains no indication as to the presence there of the 2497th AAA Regt of the 14th Gds Mecz Div. [REDACTED]

25X1

5. [REDACTED] Comment. On the basis on information last confirmed in July 1952, the 10th Tank Regt, 5th Hv Tank SP Regt and elements of the Hq 14th Gds Mecz Div are carried in the Bleidorn Kaserne and the 49th Gds Mecz Regt in the Turm Kaserne.

6. [REDACTED] Comment. The Hq Third Gds Mecz Army is confirmed as being stationed in the Adolf Hitler Camp. [REDACTED]

25X1

[REDACTED] Except for Korolev (fnu), the officers' names reported in paragraph 10 are unknown. [REDACTED] mentioned a Unit Korolev in Forst Zinna in January 1953.

25X1

7. [REDACTED] Comment. The 199th Light Arty Brig is carried in the Neue Lager. However, it has not been confirmed there. [REDACTED] also reported that 15 T-34 tanks were in Neues Lager in June 1952. A total of 50 tanks mentioned in the present report is probably exaggerated. However, on the basis of this information, it can be assumed that the 50th Mtrcl Regt of the Third Gds Mecz Army is also stationed in Neues Lager.

25X1

25X1

The tanks observed at training probably belonged to the 14th Gds Mecz Div.
